2007-2008

Last Year - 2006 - 2007

1500 Letterhead & 1000 envelopes. \$775.07

Two copies of Nolo presses book "How to Form a Nonprofit Corp in California" for the Governance Committee (I think it got submitted to governance, but am not sure). \$98.42

I started the year with some leftovers and I ended the year with some leftovers. I order more stationery when I am getting low and/or a committee makes a specific request that I cannot fulfill.

This Year - 2007-2008

Last year we had NO raffle and went light on Parent University. I believe we may need more stationery this year, but can order more judiciously (500 pieces of stationery cost almost as much as 1000). **\$850**
