Staffing Update

X-Care and X-Plus have changed a lot over the past year and we are looking forward to making both programs even better next year. We began the school year with eight new staff and two returning staff. This month we bid farewell to Jessie Rubin, who accepted a full-time teaching position at a local preschool. When school ends, we will say goodbye to a few more staff as they leave RDS to continue their education or take on new endeavors. The following staff members have confirmed their intent to return to RDS in the fall: Robert Dinh, Brandon Geter, Kathy Ma, Rochelle Rainey, Ruby Rogers and Yannira Toscano. Over the summer, a few of our staff will be available for babysitting. If you are in need of child care over the summer, please send me an email and I will forward your information to interested staff. Thank you for entrusting us with the care of your children. It has been a pleasure getting to know each and every one of them.
