### Student Accounts and Gift Certificate Form

#### **Student Accounts**

With a student account, your child can make purchases at the Book Fair without bringing money to school. You decide how much money to put in your child's student account. If you don't want your child to purchase craft kits, writing materials, or other non-book items, you can choose to limit your child's purchase to "books only." Any money remaining in the student account at the end of the Book Fair will be donated to the RDS Library on your behalf.
